Arts Access proactively reaches out to partner with area organizations that help the socially and economically disadvantaged communities. Our goal for next year is to increase the tickets we give away from approximately 12,000 to 15,000. This program is made possible through support from: The Kaplen Foundation, TD Charitable Foundation, PNC Bank and PSE&G.

bergenPAC offers a School Time Series for students and teachers to come and enjoy shows at bergenPAC during the school day. Like any field trip, we want the students to have fun and engage with the performances. The School Time Series offers a mix of shows aimed at different age groups that introduces students to the excitement of live performing arts. The performances focus on particular curriculum subjects like history, language arts, world cultures and science through the use of storytelling, music, dance, puppetry and more.
