

This letter is to let you know that the online admissions and registration process will begin on November 1 with applications due on February 21, 2023 and registration forms due by February 28, 2023. The tuition for the 2022-2023 academic year is set at \$74.75 per credit plus the annual \$15.50 registration fee. Students will be able to pay online through the portal my.bergen.edu using a credit card/debit card (2.85% fee attached) or an E-check.

Students must meet the minimum requirements of a 2.75 or higher cumulative g.p.a. and demonstrate the ability to successfully complete the course. It is important that students and parents are aware of the opportunity to participate in the Dual Enrollment Program and understand that grades are reflected on a permanent academic record. It is imperative that students are informed of the correct high school/college course equivalency that they are enrolled in.

NEW STUDENTS - students who have not previously registered for a dual enrollment course need to complete the application, 'Apply to the Dual Enrollment Program.' Students must use their personal email address as opposed to their school email address.

CONTINUING STUDENTS - students who previously participated in the DE Program can go directly to my.bergen.edu to reset their password and register for courses as indicated in the Student/Parent Instructions. Continuing students will not receive a 'Ready to Register' email.

Students who qualify for the Free & Reduced Lunch program are only responsible for the \$15.50 registration fee regardless of the number of registered courses. The F & R application must be completed and approved prior to registering for classes.

In accordance with the Articulation Agreement, the following courses will be offered through the Dual Enrollment Program:
