What Our Guests are Saying

"bergenPAC was a great intimate venue for a band with a legacy like YES. It felt great to be so close to the band and be surrounded by so many dedicated fans. The Roger Dean art exhibit held in the lobby really made the night even more special by celebrating an important visual aspect of Yes' music. Thank you for a wonderful experience!"

- Louis Mednick

"Thank you bergenPAC! Your staff and volunteers were all very helpful and friendly! I also enjoyed the student performance before the Linda Eder concert began. It's great to see young performers from the area!"

- Dan Radzikowski
